

## Stewardship Estimate for 2013

*A stewardship estimate makes it easier for the treasurer to generate an accurate budget for 2013. Please try to provide an honest and realistic estimate. Please return this form to the treasurer or place in the donation box at church. If your circumstances change during the year, please notify the treasurer, so that we can plan appropriately.*

*By providing your address and other contact information, you can also aid us in making sure our membership records are complete and up-to-date. Thank you!*
